

DGfZ Scholar Grants provide financial support to young scientists to attend the annual conference of the German Society for Cytometry.

The German Society for Cytometry (DGfZ e.V.) commits to supporting young scientists seeking networking opportunities and involvement in the cytometry community in Germany. DGfZ Scholar Grants provide financial support to attend the annual conference of the German Society for Cytometry.

Applicants

Master, PhD, and MD students as well as junior post-docs (within 2 years of active research after PhD) can apply for the DGfZ Scholar Grant. Applicants must be DGfZ members or must have applied for membership, and must submit an abstract to actively participate in the conference.

How to apply

The application should include:

- a short motivation letter outlining why attendance of the annual conference of the DGfZ is important for your scientific career
- a short CV (maximum 2 pages)
- the applicants' abstract for the conference of the DGfZ

All material shall be submitted by email in a single PDF file with the subject line „DGfZ Scholar Grant“ to the treasurer of the DGfZ:

Christian von Rein: treasurer@dgfz.org.

Applications will be reviewed by the executive board and members of the council of the DGfZ e.V. Applicants awarded a DGfZ Scholar Grant will be informed within commonly 4 weeks after submission. The society is not obliged to give reasons for awarding or not awarding the DGfZ Scholar Grant.

Financing

Travel costs and costs for accommodation can be reimbursed by the DGfZ up to a maximum of 600 EUR, pending availability of resources. Reimbursement follows the regulations of the German Federal Travel Expenses Act (Bundesreisekostengesetz,

BRKG). Additional costs must be covered from other sources.

Funding can be provided electronically as reimbursement after the conference upon submission of a PDF scan of the original receipts to the treasurer of the DGfZ e.V.: Christian von Rein:

treasurer@dgfz.org

The German Society for Cytometry appreciates the scholars' attitude to support the aims of the German Society for Cytometry. The support by a DGfZ Scholar Grant must be acknowledged in all oral and poster presentations. The DGfZ will provide a high-resolution logo included in the award information.
